Addendum to Parking limits

Gatwick Airport Scheduling Declaration Summer 2018

Code F Aircraft

Due to the limited number of stands available for Code F aircraft parking at LGW all slot requests for Code F aircraft will, in the first instance be referred to GAL via ACL to ensure that a suitable pier service stand is available.

Slot request approval shall be predicated on the availability of a minimum of 2 spare arrival slots in any 15min interval, and an overall spare of 1 on total capacity.

For slot requests post start of season, GAL would request ACL to provide at least two weeks' notice to the airport to ensure operational readiness.

GAL will inform ACL if it is able to accept this aircraft type at the requested times as soon as possible.
