## **TEMPORARY OPERATIONAL INSTRUCTION**

### **Runway Closure for Winter Maintenance 2021**

**EFFECTIVE: 01/03/2021 08:00L. EXPIRES: 20/03/2021 05:55L.**

#### **Introduction:**

Birmingham Airport Limited (BAL) completes regular maintenance of all its airside facilities including areas which cannot easily be accessed. To access these areas BAL schedules a series of runway closures each year to facilitate access for both our engineers and external contractors.

**Significant date change to closure period and timings.**

#### **Procedure:**

Planned closure dates are published in advance, via AIP Supplement, to allow planning by airlines and companies who are based at BHX to plan.

BAL will undertake three weeks of planned night closures of its runway during **March 2021**.

The closures will commence in the early hours of **Tuesday 02 March 2021**, actual closure at 02:30L and cease on the morning of **Saturday 20 March 2021**. The closures will operate from Monday night to Saturday morning.

Normal planned closure times will be: 23:00 to 06:00L, however some closing times have been changed to facilitate planned movements and are highlighted in the below table.

Closure times will be strictly adhered to and the runway will not be available to air traffic during the closure periods, except for the standing agreement with the National Police Air Service based at BAL.

- Arriving aircraft must be established on the ILS by 10 minutes prior to the planned closure time.
- Departing aircraft must be airborne 15 minutes prior to the planned closure time (or no later than 1 minute prior to the planned closure time if willing to accept an alternative aerodrome in an emergency).
